

GUIDE FOR AUTHORS

- A detailed **Guide for authors** is available on the website of BJAS - <http://www.agrojournal.org/GUIDE.htm>

- **Text**

The manuscript should begin with an abstract of not more 250 words or 10% of the paper

The first page should include the title, author's names and their affiliations

The text should include Introduction, Materials and Methods, Results, Discussion, Conclusion, Acknowledgements (if any) and References

References

(a) The references in the text should be cited as the name of the first author plus "et al.", followed by the year of publication

(b) The reference list should be in alphabetical order

Tables

(a) **The tables should be as simple and as few as feasible for the presentation of the essential data. They should be in Excel program and in separate files, not in the text**

(b) Explanations essential to the understanding of the table should be given at the bottom marked in an appropriate way

Electronic manuscripts

Your disk should be submitted to the editorial secretariat or the article should be send by e-mail

The preferred word-processing packages are Word, WINDOWS

Maximum posters size: 60/90 cm
