TEFL/Applied Linguistics

Theater

Urban Planning

Eligibility Requirements

Applicants must:

- be citizens of the Republic of Serbia;
- hold a Ph.D. in the field of research or lecturing;
- be proficient in oral and written English;
- be eligible for a J-1 visa, which requires the grantee to return to the Republic of Serbia for a minimum of two years following the end of the grant period;
- be in good enough health to obtain a medical clearance.

Persons desiring to immigrate to or obtain permanent residence in the United States are not eligible to apply.

Researchers in medicine, dental medicine, veterinary medicine, nursing and other fields whose research proposals include clinical contact with patients are not eligible for Fulbright grants. Candidates with medical degrees are not allowed to pursue medical residencies or internships in the United States as Fulbright Fellows.

Dependents: The Fulbright program does provide small allowance for accompanying dependents.

How to Apply

Complete the online application at: <https://apply.iie.org/fvsp2026/>

To apply, you will need to upload scans of the following documents onto the online application portal:

- Detailed statement about your proposed research project and/or plan to conduct lectures in the United States during the grant period;
- Letter from your employer confirming your employment in Serbia (in English or Serbian);
- Detailed Curriculum Vitae (resume);
- Three (3) letters of reference;
- Bibliography (related to your research proposal) and/or course syllabus (related to your lecturing proposal);
- Letter of invitation or email from a U.S. institution of higher learning, if applicable, i.e., if you have already been in touch with a U.S. university);
- Copy of the biodata page of your passport.

Recruitment for AY 2026-2027 will open in June 2025
